EVENT REPORT

Name Of The Activity	Oral Solids Production and Quality Control	
Type Of Activity	Seminar	
Date And Time Of Activity	21/01/2023	10.00AM
No. Of Participants	25	
Resource Person	Dr. Sundharishan	
Coordinators	Department HOD	
Description	<p>The Seminar on "Oral Solids Production and Quality Control" held at PSPMMHMC on January 21, 2023, was organized by the Department HOD and conducted by Dr. Sundharishan. The event covered key aspects of oral solids production, including formulation techniques, manufacturing processes, and quality control parameters. Dr. Sundharishan provided expert insights through theoretical sessions, practical discussions, and case studies. The interactive nature of the seminar facilitated engaging discussions among participants. Positive feedback highlighted the success of the event in addressing the educational needs of attendees. The Department of Pharmaceutics expressed a commitment to organizing future events that address evolving challenges in the pharmaceutical industry</p>

EVENT REPORT

Name Of The Activity	Analytical instrument training and patent filing	
Type Of Activity	Workshop	
Date And Time Of Activity	04/12/22	10.00AM
No. Of Participants	36	
Resource Person	Dr. Senthil Prabhakaran	
Coordinators	Department HOD	
Description	<p>The Workshop on "Analytical Instrument Training and Patent Filing" held at PSPMMHMC on December 4, 2022, was organized by the Department HOD and led by Dr. Senthil Prabhakaran. The event featured hands-on training on analytical instruments and insights into patent filing in the pharmaceutical field. Participants gained practical skills in instrument operation, maintenance, and troubleshooting, along with knowledge of patent filing processes and documentation requirements. The workshop's success, as indicated by positive feedback, highlighted its effectiveness in enhancing practical skills and knowledge among participants.</p>
