ACTIVITY REPORT

Name of the Activity	Medical Writing and Documentation Course	
Type of Activity	Language and Communication Skills development Program	
Date and Time of Activity	12/12/2022	10:00AM
Details of Participants	80	
Resource Person	Dr. OWES MUSTAFA INAMDAR	
Description	<p>The Medical Writing and Documentation Course, held on 12-12-2022 at Mahila Homoeopathic Medical College & Hospital represented a pivotal initiative in advancing language and communication skills among homeopathic students. Attended by 80 participants, the program aimed to enhance proficiency in written communication specific to medical contexts. Through a structured curriculum, students were equipped with the skills needed for effective medical writing, including patient records, case notes, and other documentation essential for homeopathic practice. The course, part of the Language and Communication Skills Development Program, was facilitated by experienced instructors with expertise in medical communication. The overwhelming participation reflects the recognition of the significance of clear and precise communication in the healthcare domain. Mahila Homoeopathic Medical College & Hospital remains committed to ensuring that its graduates possess not only clinical competence but also strong communication abilities vital for successful and ethical homeopathic practice.</p>

Type of Activity	Language and Communication Skills development Program	
Date and Time of Activity	20/11/2021	10:00AM
Details of Participants	44	
Resource Person	Dr. UTAGE JYOTI SANJAY	
Description	<p>The Public Speaking and Presentation Skills Workshop, conducted on 20-11-2021 at Mahila Homoeopathic Medical College & Hospital, exemplified a crucial component of the Language and Communication Skills Development Program. This workshop aimed to refine the oral communication skills of homeopathic students, preparing them for effective engagement with diverse audiences. The program, designed to enhance public speaking and presentation proficiency, addressed key elements such as verbal articulation, body language, and the creation of compelling presentations. Facilitated by experienced communication experts, the workshop provided a platform for participants to practice and receive constructive feedback. The event, embedded in the institute's commitment to holistic education, acknowledges the significance of strong communication abilities in fostering successful and impactful healthcare practitioners. The enthusiastic participation underscores the program's relevance in equipping students with the necessary skills for effective communication in both professional and public settings.</p>

Description	<p>The Medical Terminology Course, held on 22-10-2020 at Mahila Homoeopathic Medical College & Hospital, played a pivotal role in the Language and Communication Skills Development Program. Attended by dedicated participants, this course focused on refining the language precision of homeopathic students within the medical context. Through comprehensive modules, students were provided with a solid foundation in medical terminology, enabling them to articulate and comprehend complex medical terms accurately. Facilitated by seasoned educators, the course emphasized the importance of precise language in healthcare communication. This initiative, aligned with the institute's commitment to holistic education, ensures that graduates are not only clinically proficient but also possess the linguistic acumen required for effective collaboration in the healthcare domain. The positive response from participants highlights the program's relevance in equipping students with essential language skills vital for their future roles in homeopathic practice.</p>

Resource Person	Dr. RAMCHANDRA AMBADAS LAKADE	
Description	<p>The Cross-Cultural Communication Training, conducted on 14-09-2019 at Mahila Homeopathic Medical College & Hospital marked a significant stride in the Language and Communication Skills Development Program. Attended by engaged participants, this training aimed to cultivate the ability of homeopathic students to communicate effectively across diverse cultural contexts. Through interactive sessions and real-world case studies, students gained insights into the nuances of cross-cultural communication, fostering cultural sensitivity and awareness. Facilitated by experienced trainers, the program emphasized the importance of understanding and respecting cultural differences in healthcare settings. This initiative aligns seamlessly with the institute's commitment to producing culturally competent healthcare professionals capable of providing inclusive and patient-centered care. The positive participation and feedback underscore the program's value in preparing students for the dynamic and multicultural landscape of healthcare practice.</p>

ACTIVITY REPORT

Name of the Activity	Effective Doctor-Patient Communication Course	
Type of Activity	Language and Communication Skills development Program	
Date and Time of Activity	10/11/2018	10:00AM
Details of Participants	35	
Resource Person	Dr. ABHIJIT RAMESHRAO WADGAONKAR	
Description	<p>The Effective Doctor-Patient Communication Course, conducted on 10-11-2018 at Mahila Homeopathic Medical College & Hospital played a pivotal role in the Language and Communication Skills Development Program. Attended by participants eager to refine their communication abilities, this course focused on the intricacies of fostering effective interactions between homeopathic practitioners and patients. Through interactive sessions, role-playing exercises, and case discussions, students were equipped with the skills necessary for empathetic communication, active listening, and delivering information in a patient-friendly manner. Facilitated by experienced communication experts, the program underscored the importance of clear and compassionate communication in healthcare settings. This initiative aligns seamlessly with the institute's commitment to producing well-rounded homeopathic practitioners, ensuring they not only excel in clinical competence but also prioritize the humanistic aspects of healthcare delivery. The positive response from participants reflects the course's impact in enhancing the doctor-patient communication skills of aspiring homeopathic professionals.</p>
