Mahila Homoeopathic Medical College & Hospital Solapur

283/1 B Kolgiri Nagar, Hotagi Road, Majrewadi, Solapur. Tel. (0217)2991315

5.1.4: The Institution has an active international student cell to facilitate study in India program etc.,

The Mahila Homoeopathic Medical College & Hospital offers college classes in homoeopathy so that students from Asia, Africa, and other places can become doctors who work with homeopathy. Students at the college can get help and advice from the Office of the International Student Cell in the following areas.

1. Talks with students and experts about issues related to immigration and visas.
2. Holding events and orientations to help people get used to their new social and cultural surroundings.

How to Apply for Admission and a Visa.

People who apply to the study program will be able to take admissions exams and have personal conversations set up by the college. Once you are accepted, the college will give you the papers you need to apply for a VISA.

Permit to Live There.

Students must apply for a Residential Permit within 14 days of arriving in India. They should call the International Student Cell as soon as they get there with their current passport and visa.

How Life Is on College Grounds.

The building of Homoeopathic Medical College & Hospital is in a safe and green area.

Campus gives students a lot of chances to do extracurricular, academic, and co-curricular things in addition to their normal classes.
