## PSPM MAHILA HOMEOPATHIC MEDICAL COLLEGE

23/1/B Kolgiri Nagar Hotgi road Majrewadi Solapur Tel: 0217, 2991315

At the beginning of the academic year the college council meeting is held to prepare an academic calendar. Each committee carries out the activities according to the academic calendar in consonance with the standard operating procedures laid down for the committee. Regular meetings of the staff are held to discuss with the difficulties encountered during the implementation of the resolutions and the academic, curricular and extracurricular activities.

To make competent Homeopathic physicians the students are exposed to practical learning through their participation in clinics and in research projects of the institute. While imparting the necessary knowledge and skills the faculty and the management also take care of the all-round personality development by imparting human values. The institute promotes secular values leading to a culture, free from all prejudices of language, region and religion by accepting the Oneness of Mankind.
