MINORITY CELL

Minority cell of the college was established with the purpose of empowering the minority communities in the college. "Every student has a right of education" by following the fact our institutes is very much keen to provide services to the educational and cultural needs of the Minority community along with other caste, creed and Nationality. The Minority Cell basically helps minority students including Christian, Muslim, Jain, Buddhists etc. for their academic development.

Objectives:

- To ensure provisions for an environment where all such students feel safe and secure.
- To facilitate financial support to students from minority communities from governmental agencies and other sources.
- To be aware the minority students regarding various scholarships program of State and Central Government.
- To ensure protection and reservation as provided in the constitution of India.
- To encourage enrolling in career orientation programs that would empower and equip them with the necessary skills to choose career options.
- To take such follow up measures for achieving the objectives and targets laid down for the purpose by the Government of India.
- To provide prompt counseling for any emotional emergencies arising on account of any event
